1. The amendment filed 12/3/04 have been entered and made of record.
2. Claims 1-20 are pending.

Claim Rejections - 35 USC § 112

3. Claims 18, 20 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. "it is not clear what meant by "each of said selection circuit selects and outputs one of its two inputs". Since two inputs are unknown.

Allowable Subject Matter

4. Claims 1-17, 19 are allowed.
5. The following is an examiner's statement of reasons for allowance: the prior art (6035414, 6226261, 5365511, 5459718, 6131169) of record does not appear to teach or render obvious the claimed limitations in combination with the specific added limitations, as recited from independent claims 1, 2, 3, 4, 19: "in response to a selection control signal output from a failure processing circuit that executes cross-bar switch failure processing, each of selection circuits selects and outputs one of its two inputs and when one cross-bar switch fails, takes the failed cross-bar switch out of service".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

6. Claims 18, 20 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
